## Take a step back in time

### Fox Lake Historical Society

All non-written history is on display at the Fox Lake Historical Society in the many buildings they operate for the community. The Society is responsible for the preservation of the Fox Lake Depot building, which houses the main society displays, as well as the Car Shed. The Car Shed houses a 1940s-era Fairbanks gas-engine-powered track car, the summer kitchen, working blacksmith shop, and Sinclair Gas Station building on the Depot grounds. It also operates the Community Congregational Museum up the street from the Depot grounds, which is one of the first churches in town being built in 1855 and was the longest running continuous church. It held its final service in October of 2012.

Housed are items related to the theme of each building as well as farming and local business artifacts, Native American arrowheads, tools, weapons, military uniforms and equipment, an extraordinary Civil War artifact collection, a Bunny Berrigan collection dedicated to the famous jazz musician, and photographs of the people, places, buildings, and businesses that made Fox Lake what it is today.

The Fox Lake Historical Society presents “Second Saturday Programs” at the Community Congregational Museum on College Ave. in Fox Lake. (Each program is a history lesson and entertainment, rolled into one, with a common theme of World War II. There is a different topic each month.) Programs start at 6:30 p.m. All programs are followed by snacks and drinks in the fellowship room. The exception is the Soup Dinner which runs from 4 p.m. to 7 p.m. on January 12, at the Fox Lake American Legion hall. The Soup Dinner is a chance to socialize with others in the community and take part in our main fund-raiser for the year to raise funds for maintenance and painting of our Society Buildings. Come join us for our Second Saturday Programs, learn a little about our community and enjoy the fellowship of your friends, neighbors and perhaps someone you have yet to meet. We look forward to seeing you.

The Depot Museum at 211 W. Cordelia St., is open the first and third Sunday of every month from June to the first Sunday in October, as well as by appointment. Call (920) 296- 0254. The church is open for special events or by appointment only.

Fox Lake’s settlement history dates back approximately 10,000 years before the white man came here. It was a fertile place and Native Americans favored the lake for good hunting, fertile cropland, easy living, and as a gathering spot. With Jacob P. Brower came the era of recorded history in Fox Lake, and by all accounts it was a peaceful transition. The name of the city changed three times in the early years: Frankfurt in 1839, Waushara in 1840, and finally Fox Lake in 1856.

In 1860, at the beginning of the Civil War, the community had a population of 2,643, with nearly 2,000 individuals being residents of the Village proper. The community contributed greatly to the fight for the Union, sending three full companies to duty, including the Iron Brigade and the Eagle Regiment, as well as 20% of Berdan’s Sharpshooters, and numerous individual regimental volunteers.

Fox Lake men were present at most eastern theater battles from Bull Run to Appomattox. Riverside Cemetery is the final resting place of war veterans from the War of 1812 through current conflicts and all in between, as well as the rejected lover of Florence Nightingale.

Fox Lake has the oldest wood-framed building in Dodge County. They had a marine US mail route, along the Military Road. Fox Lake also hosted the first Wisconsin school for women, the Wisconsin Female Academy, later known as Downer College.

### Harriett R. O’Connell Historical Room

The room is established to preserve historical material relating to the City of Fox Lake and the surrounding area and to honor the memory of Harriet R. O’Connell, who devoted much of her time and energy to the preservation of existing material. The Fox Lake Public Library houses the room in the lower level of the Library.

The room is a huge collection of Fox Lake history and it has been sited by members of the Wisconsin State Historical Society as the “largest collection of small-town history in the state”.

The very first land office registration book for the whole region has been saved and is now preserved for all time by a grant from the Fox Lake Chamber of Commerce. At the present time there are many retired persons who are indexing the tax records, scrapbooks and newspapers dating back to the mid 1800’s.

With past funding from a private source, cataloging the room resources has made great strides and there are thousands of entries leading researchers back to information about people, places and events of Fox Lake.

Due to the huge project of putting the room in order, it is not possible for the Library staff to do personal research for people. For further information the library can be contacted at (920) 928-3223.

# Parks

West Crocker Street Park

## Find recreation and relaxation in Fox Lake's parks

The Fox Lake community offers its residents and guests more parks than many larger localities.

### Adams Spring Park

Located on Highway 33 on the south end of the city, Adams Spring Park features a memorial to Bunny Berigan, a famous jazz trumpeter from Fox Lake who performed with some of the best bands of yesteryear.

### Clausen Park

Located on the north end of the City of Fox Lake, Clausen Park features a 60-foot-tall Memorial Tower, donated to the city by Leon Clausen in 1955. Public restrooms are at the base of the tower. Clausen Park is the site of the annual Memorial Day Observances, as well as other activities.

### Fireman's Park

Fireman's Park offers baseball diamonds and volleyball and basketball courts. It is located adjacent to the City of Fox Lake offices, fire department, police department and community center.

### Fox Lake Aquatic Park

Fox Lake Aquatic Park is located just east of the Fox Lake Community Center and features pools to keep kids and adults cool on hot summer days.

### John 'Red' Solis Memorial Park

John 'Red' Solis Memorial Park is the newest addition on the west end of the city and is located on Forest Street in the City of Fox Lake. Get your children some exercise on colorful playground equipment

### Riverside Park

Riverside Park is immediately west of Clausen Park. It features a large playground, BBQ grills, and a shelter for picnickers and other guests. It also has a public boat launch, with parking for vehicles, as well as a handicap-accessible pier for fishing. Great view of the 4th of July fireworks and festivities. Also available to rent for private parties, call City Hall for details.

### Town Park

Town Park is located between Blackhawk Trail and the northwest corner of the lake, in the Town of Fox Lake. It has a handicap-accessible pier, public access for boating, and a shelter with restrooms.

### Veterans Memorial Park

Veterans Memorial Park is a small park on the corner of College and State streets in the City of Fox Lake. It was constructed in 2002 to honor all area veterans.

### West Crocker Street Park

The West Crocker Street Park got a new look in 2019! Thanks to a community wide effort to improve the park, kids now have more play area and new play equipment including an array of tunnels, slides, handicapped access swings, ladders, monkey bars and other activities. There is also a park sign in the shape of a big fox, which can't be missed. Even with the additions there is still plenty of green space for kids and families to play games, to have a picnic or just relax.

### Fox Lake Dog Park and Sledding Hill

Both are free to the public. They are located at the North end of Booth Street. The dog park is in the Little league Diamond and the sledding hill is located just north of the Little League Diamond on other side of the concessions stand.

# Recreation

## Year round recreation is abundant in Fox Lake

The year round recreation is never ending in the greater Fox Lake area. Snowmobile trails, cross-country skiing, hiking, hunting, just to name a few. Golf at our 18-hole golf course, shop the downtown or swim at our sparkling aquatic center. It doesn't matter what you do for fun, there are many ways to enjoy yourself in Fox Lake. The lakes offer limitless recreational opportunities, such as fishing, kayaking, boating, skiing, tubing and outdoor lakeside dining. Fox Lake continues to be a tourist destination year after year. Come join us!

### Fish Stocking on Fox Lake

To promote the recreational use of Fox Lake for fishing, the Fox Lake Preservation Organization (FLPO) in conjunction with the Wisconsin Department of Natural Resources (DNR) continues to commit itself to an extensive yearly fish-stocking program.

For example, on October 2 at 10:30am, the FLPO worked with middle school students from the School for Agricultural and Environmental Studies to release 6,000 perch and 4,000 crappies into Fox Lake at Town Park on Blackhawk Trail.

The success of the annual fish-stocking program is made possible by fundraising events, donations, and FLPO membership dues. The generous financial support and the time and effort of volunteers assure that Fox Lake remains a top-rated fishing lake.

## Fishing

Fox Lake is continuing to earn its reputation as one of the top 10 fishing lakes in the state of Wisconsin. Abundant fish include perch, crappies, blue gills, muskie, northern, walleye and bass. Fishing is a year-round sport in Fox Lake, whether it happens from boats, docks, or public piers at the Town of Fox Lake Park/Boat Launch on Blackhawk Trail or the City of Fox Lake Clausen-Riverside Park/Boat Launch. Winter ice doesn't stop us either. Ice fishing is alive and well in Fox Lake! You may pick up a map of Fox Lake, courtesy of the Fox Lake Chamber of Commerce, at area resorts and businesses.

Fox Lake isn't the only lake in the area. Lake Emily is just northwest of Fox Lake and Beaver Dam is just south. Each have public launches.

### Mill Creek Dam

The Mill Creek Dam is also a favorite spot for fishing throughout the entire spring and summer. Located at the end of Mill Street, this dam controls water flow from Fox Lake to neighboring Beaver Dam Lake. The Mill Creek Restoration project provides a handicap fishing and picnicking area with a handicap-accessible table by Riverside Park. For more information regarding the Mill Creek Restoration project, call the Fox Lake City Hall at (920) 928-2280.

## Disc Golf

Fireman's Park Disc Golf Course is a 9 hole course, set in a multi-use park that plays around a swimming pool and baseball diamonds. There are discatcher baskets on all holes. It offers a mix of shots with some longer holes and plenty of our-of-bounds with fences. The course is mostly flat and lightly wooded. Tee pads are varied, with some on concrete, some on roads. There are two tees per hole (white/blue) that are signified by blocks in the ground. Even the natural areas are level and easy to throw from. There are nice differences in distance, especially between tees. The alternate pin placements really change the distances. It is located at 248 E. State St., Fox Lake.

## Walking Trail

In the summer of 2003 the City of Fox Lake Beautification Committee made a dream become a reality by turning the old railroad

loop into a walking trail from the Depot to Fox Lake Junction. The loop is approximately one mile long using the route through Fox Lake that the railroad company created to bring the railroad line to town. It was used until the 1960s by Fox Lake.

By 2006, a prairie garden, other gardens, and several trees were planted next to the walking trail. Signage and two gated arbors on the Trenton Street entrance were also installed.

Walkers can enter the trail at any point; however, the Depot Railroad Museum on Cordelia Street is considered the beginning of the trail. Any season—winter, spring, summer and fall—just look for signage and enjoy a hike on the Fox Lake Loop Walking Trail.

## Friends of the Lake Outing

The Fox Lake Preservation Organization invites special needs adults and chaperones to be their guests at Town Park, Blackhawk Trail, for pontoon boat tours on Fox Lake. Snacks and beverages are provided. After several hours of touring the lake, the guests return to shore for a cook-out lunch. Held for 27 years, traditionally on the third Saturday in June, the Friends of the Lake Outing has become the popular social event for our friends from ARC of Dodge County and Bethesda Lutheran Home in Fox Lake. It takes many volunteers, pontoon boat captains and "first mates", cooks, servers and dockside attendants to make the outing a memorable experience for the guests. For further information please call Bob Bergmann at (920) 928-3486.

## 15th Annual December to Remember

This celebration is held at the Fox Lake Community Center on Saturday, December 5 and is sponsored by the Fox Lake Chamber of Commerce. The event starts at noon and is free and open to the public. It includes fun activities such as hairstyling, cookie and cupcake decorating, ornament painting, a coloring contest and other activities. Visit Santa and his Christmas friends. Adults can enjoy shopping, raffles, silent auctions, and bake sale items. Lunch will be available for purchase. The parade of lights begins at 5 p.m. Line up is at the corner of Mill and State St. with parade ending at the Fox Lake Community Center. Following the parade, Santa will meet with all of the children. Enjoy school band performances and local carolers spreading holiday cheer. The City of Fox Lake will provide a free dinner to the community. Bring a non-perishable food item for our food pantry. Visit the Fox Lake Chamber of Commerce for schedule of events, to volunteer or to submit float entries.

## Fox Lake Flea Market

**There are many small Amish businesses just a short drive from Fox Lake.** The Markesan and Kingston/Dalton Historical Societies can provide visitors with in-depth information on where these settlers came from, their traditions and customs and how they have integrated into their neighboring communities, as well as what trades they are known for such as woodworking, baking, cheese making and greenhouses to name a few.

## Safe Driving Tips

The Amish community includes Marquette, Columbia, and Green Lake Counties. When traveling in the area many motorists are not aware of how to drive when they come upon a horse and buggy. In an effort to increase the safety of all those who use the roadways in this area, here are some safe driving tips.

- 1 Dim your headlamps when you meet a horse and buggy at night.
- 2 Give a wide berth when passing a horse and buggy.
- 3 Avoid rapid acceleration or unnecessary vehicle noises when passing or near a horse and buggy, loud noises may startle the horse as well.

*Following a few simple tips as a motorist will help make our roadways safer.*

## SAGES

Located in Fox Lake, the School for Agricultural and Environmental Studies (SAGES) is a 4 year old Kindergarten through 6th grade public charter school. It offers an innovative educational program infused with agricultural and environmental science. SAGES has received recognition by the Wisconsin Department of Public Instruction through a "Significantly Exceeds Expectations" School Report card rating and being among the recipients for a Wisconsin School of Recognition award.

Community support of Waupun Area School District's Facility Improvements Referendum in Fall 2017 resulted in SAGES adding and upgrading learning spaces including a new Agriculture Classroom with Teaching Kitchen, Media Center, Collaboration Spaces, Greenhouse, and larger classrooms.

Offering a rigorous, standards-based curriculum that enhances the 21st century learner, SAGE's personalized learning methods include: questioning, off-school grounds learning, and

project-based learning. Our hands-on approach allows students to learn through observation and problem solving by using the area's natural resources as classrooms. Routine off-campus experiences include field trips to: the community garden, the school forest, Fox Lake, Marsh Haven, Mills Creek, and ventures to local businesses. Strong support and partnerships with local businesses and organizations have been integral in providing our learners with real-world experiences that positively impact our community.

With class sizes being no greater than 20, all students become part of the intimate SAGES community where our learners have the opportunity to grow academically, socially, and emotionally. Collaboration is done through multi-age classes and buddy class learning opportunities.

To schedule a tour, visit the school's chickens, or for more information about SAGES and all its offerings, please call 920-928-3136. Also, feel free to find us on Facebook or at [www.waupun.k12.wi.us/o/sages](http://www.waupun.k12.wi.us/o/sages).

## St. John's Evangelical Lutheran School

St. John's Lutheran School provides a Christ-centered education for children in 4 year old Kindergarten through 8th grade in a safe, caring environment. The students at St. John's are taught through strong academic programs using up-to-date and innovative methods, technology and materials. St. John's provides a low student-to-teacher ratio. If you have any questions or are interested in our school, please contact Principal John Schlavensky at 920-928-3296.

"An early childhood program called SonBeams is held for two six-week sessions each year. One session begins in January and the second session begins in September. The January session will begin on January 30, 2020 and the starting date for September will be posted on the St. John's website and on the St. John's Fox Lake Facebook page. Parents and caregivers are invited to bring their children ages 2 - 4 to this free learning group. Each

class will begin at 8:30 a.m. with table time and songs. There is a brief Bible lesson, followed by activities with shapes, colors, and numbers. The children, along with their caregivers will move through different centers that focus on motor skill and learning activities. The purpose of this early education group is to provide some social time, give the little ones a very brief glimpse into a school setting, and let them hear about their Savior. Classes are free and younger siblings are welcome. Please call school at 928-3296 or see the website at [www.stjohnsfoxlake.org](http://www.stjohnsfoxlake.org) for more information.

We would also invite you to join us for a church service, Bible class or Sunday School. Our church and school are affiliated with the Wisconsin Evangelical Lutheran Synod. Please contact Pastor Nottling at 920-928-3250 or visit our website for any questions about our congregation or church services.
