History Take a step back in time

Fox Lake Historical Society

All non-written history is on display at the Fox Lake Historical Society in the many buildings they operate for the community. The Society is responsible for the preservation of the Fox Lake Depot building, which houses the main society displays, as well as the Car Shed. The Car Shed houses a 1940s-era Fairbanks gas-engine-powered track car, the summer kitchen, working blacksmith shop, and Sinclair Gas Station building on the Depot grounds. It also operates the Community Congregational Museum up the street from the Depot grounds, which is one of the first churches in town being built in 1855 and was the longest running continuous church. It held its final service in October of 2012.

Housed are items related to the theme of each building as well as farming and local business artifacts, Native American arrowheads, tools, weapons, military uniforms and equipment, an extraordinary Civil War artifact collection, a Bunny Berrigan collection dedicated to the famous jazz musician, and photographs of the people, places, buildings, and

businesses that made Fox Lake what it is today.

The Fox Lake Historical Society presents "Third Saturday Programs" at the Community Congregational Museum on College Ave. in Fox Lake. Each program is a History Lesson and Entertainment rolled into one with a common theme of World War II, with a different topic each month. Programs start at 6:30pm. All programs are followed by snacks and drinks in the fellowship room. The exception is the Soup Dinner which runs from 4p.m. to 7p.m. on January 21, at the Fox Lake American Legion hall. The Soup Dinner is a chance to socialize with others in the community and take part in our main fund-raiser for the year to raise funds for maintenance and painting of our Society Buildings. Come join us for our Third Saturday Programs, learn a little about our community and enjoy the fellowship of you friends, neighbors and perhaps someone you have yet to meet. We look forward to seeing you.

The Depot Museum at 211 W. Cordelia St., is open the first and third Sunday of every month from June to the first Sunday in October, as well as by appointment. Call (920) 296- 0254. The church is open for special events or by appointment only.

Harriett R. O'Connell Historical Room

The room is established to preserve historical material relating to the City of Fox Lake and the surrounding area and to honor the memory of Harriett R. O'Connell, who devoted much of her time and energy to the preservation of existing material. The Fox Lake Public Library houses the room in the lower level of the Library.

The room is a huge collection of Fox Lake history and it has been sited by members of the Wisconsin State Historical Society as the "largest collection of small-town history in the state".

The very first land office registration book for the whole region has been saved and is now preserved for all time by a grant from the Fox Lake Chamber of Commerce. At the present time there are many retired persons who are indexing the tax records, scrapbooks and newspapers dating back to the mid 1800's.

With past funding from a private source, cataloging the room resources has made great strides and there are thousands of entries leading researchers back to information about people, places and events of Fox Lake. Due to the huge project of putting the room in order, it is not possible for the Library staff to do personal research for people. For further information the library can be contacted at 920-928-3223.

Fox Lake's settlement history dates back approximately 10,000 years before the white man came here. It was a fertile place and Native Americans favored the lake for good hunting, fertile cropland, easy living, and as a gathering spot. With Jacob P. Brower came the era of recorded history in Fox Lake, and by all accounts it was a peaceful transition. The name of the city changed three times in the early years: Frankfurt in 1839, Waushara in 1840, and finally Fox Lake in 1856.

In 1860 at the beginning of the Civil War, the community had a population of 2,643, with nearly 2,000 individuals being residents of the Village proper. The community contributed greatly to the fight for the Union, sending three full companies to duty, including the Iron Brigade and the Eagle Regiment, as well as 20% of Berdan's Sharpshooters, and numerous individual regimental volunteers. Fox Lake men were present at most eastern theater battles from Bull Run to Appomattox. Riverside Cemetery is the final resting place of war veterans from the War of 1812 through current conflicts and all in between, as well as the rejected lover of Florence Nightingale.

Fox Lake has the oldest wood-framed building in Dodge County. They had a marine US mail route, along the Military Road. Fox Lake also hosted the first Wisconsin school for women, the Wisconsin Female Academy, later known as Downer College.

Recreation

Year round recreation is abundant in Fox Lake

The year round recreation is never ending in the greater Fox Lake area. Snowmobile trails, cross-country skiing, hiking, hunting, just to name a few. Golf at our 18-hole golf course, shop the downtown or swim at our sparkling aquatic center. It doesn't matter what you do for fun, there are many ways to enjoy yourself in Fox Lake. The lakes offer limitless recreational opportunities, such as fishing, kayaking, boating, skiing, tubing and outdoor lakeside dining. Fox Lake continues to be a tourist destination year after year. Come join us!

Fish Stocking on Fox Lake

To promote the recreational use of Fox Lake for fishing, the Fox Lake Preservation Organization (FLPO) in conjunction with the Wisconsin Department of Natural Resources (DNR) continues to commit itself to an extensive yearly fish-stocking program.

In the fall of 2016, the FLPO worked with 20 middle school students from the School for Agricultural and Environmental Studies to release 4,000 walleye in the 4 to 8-inch range and 200 muskies of 11 to 14 inches into Fox Lake.

The success of the annual fish-stocking program is made possible by fundraising events, donations, and FLPO membership dues. The generous financial support and the time and effort of volunteers assure that Fox Lake remains a top-rated fishing lake.

Fishing

Fox Lake is continuing to earn its reputation as one of the top 10 fishing lakes in the state of Wisconsin. Abundant fish include perch, crappies, blue gills, muskie, northern, walleye and bass. Fishing is a year-round sport in Fox Lake, whether it happens from boats, docks, or public piers at the Town of Fox Lake Park/Boat Launch on Blackhawk Trail or the City of Fox Lake Clausen-Riverside Park/Boat Launch. Winter ice doesn't stop us either. Ice fishing is alive and well in Fox Lake! You may pick up a map of Fox Lake, courtesy of the Fox Lake Chamber of Commerce, at area resorts and businesses.

Fox Lake isn't the only lake in the area, Lake Emily is just northwest of Fox Lake and Beaver Dam is just south. Each have public launches.

Mill Creek Dam

The Mill Creek Dam is also a favorite spot for fishing throughout the entire spring and summer. Located at the end of Mill Street, this dam controls water flow from Fox Lake to neighboring Beaver Dam Lake. The Mill Creek Restoration project provides a handicap fishing and picnicking area with a handicap-accessible table by Riverside Park. For more information regarding the Mill Creek Restoration project, call the Fox Lake City Hall at (920) 928-2280.

Fox Lake Local Charities 7th Annual Fisheree

Six years ago there was a Saturday in February without an event at the Boat House. They came up with the idea of a charity fisheree for a group, individual, association, etc. that would benefit from the money raised from the fisheree.

This year the 7th annual Fox Lake Local Charities Fisheree will be

held on Saturday, February 24. The fisheree will run from 7:00 a.m. until 2:00 p.m. It will be held at the Boat House Pub and Eatery, N10575 Chief Kuno Trail.

There will be prizes for the largest fish caught in six different categories: walleye, northern, perch, crappie, blue gill and bass—for adults and children alike.

Raffles, door prizes, silent auctions, and a full menu will all be available beginning at 11:00.

Please contact the Boat House at (920) 928-3470 for additional information or if you would like to have a group, individual, association, etc. considered as the charity recipient.

Fox Lake Chamber of Commerce Ice Fisheree

Fourteen years ago, the Fox Lake Chamber decided to bring back its Annual Ice Fisheree. Hosted at the Boat House Pub & Eatery by Vicki Matheys, the 2018 event will be held on Saturday, January 27, starting at 7:00 a.m. and ending at 3:00 p.m. There's a full day for catching the many fish available in Fox Lake and chances to win prizes for the largest fish in any of the legal categories.

Not into winter sports? All afternoon, those who prefer the indoors have a chance to participate in the silent auction and the many raffles put on by the Chamber.

All award-winning fish entries are announced and prizes are awarded at 4:00 p.m., along with an invitation to stay into the evening to enjoy some musical entertainment.

Disc Golf

Fireman's Park Disc Golf Course is a 9 hole course, set in a multi-use park that plays around a swimming pool and baseball diamonds. There are discatcher baskets on all holes. It offers a mix of shots with some longer holes and plenty of OB with fences. The course is mostly flat and lightly wooded. Tee pads are varied, with some on concrete, some on roads. There are two tees per hole (white/blue) that are signified by blocks in the ground. Even the natural areas are level and easy to throw from. There are nice differences in distance, especially between tees. The alternate pin placements really change the distances. It is located at 248 E. State St., Fox Lake.

Walking Trail

In the summer of 2003 the City of Fox Lake Beautification Committee made a dream become a reality by turning the old railroad

loop into a walking trail from the Depot to Fox Lake Junction. The loop is approximately one mile long using the route through Fox Lake that the railroad company created to bring the railroad line to town. It was used until the 1960s by Fox Lake.

By 2006, a prairie garden, other gardens, and several trees were planted next to the walking trail. Signage and two gated arbors on the Trenton Street entrance were also installed.

Walkers can enter the trail at any point; however, the Depot Railroad Museum on Cordelia Street is considered the beginning of the trail. Any season—winter, spring, summer and fall—just look for signage and enjoy a hike on the Fox Lake Loop Walking Trail.

Jazz Festival

3-Day Festival Honoring the Great Bunny Berigan

Small town Fox Lake, Wisconsin, honors Bunny Berigan with a three day Dixieland Jazz Festival on the third weekend in May every year. In 2018 it will be held May 18 – 20. Bands that will be featured are: The Bob Schulz Mid-West All Stars, The St. Louis Stompers led by Steve Lilley, The Kaye Berigan 5 Tet, the Matt Miller Jazz Trio, A Big Band playing “Bunny’s” music and special Guest Trumpet Player, Duke Heitger from New Orleans.

The event will be held (one at a time) in the Fox Lake Community Center, the American Legion Hall and Mullin’s Drive-In. There will be a Dixieland Graveside Service at the grave of Bunny on Saturday morning and two Sunday morning Church Services by the St. Louis Stompers at First Evangelical Lutheran Church in Beaver Dam. The Triangle Jazz Store will be on site, along with great food prepared and served by Chef Anthony of Milwaukee. Please visit www.bunnyberiganjazzjubilee.com or find us on Facebook under Bunny Berigan Jazz Jubilee. For more information on this great jazz event please call Julie Flemming at 920-928-6094.

Who was Bunny?

“Bunny’s” family moved to Fox Lake in July of 1909 and lived at 524 State Street. He was a great trumpet player as well as a fine violinist. He eventually moved to New York and had

featured spots with name bands, was on networks, had his own band, recording contracts galore and even movie work.

“Bunny” first began to attract popular and critical attention in the Hal Kemp orchestra of 1930. In a brief twelve years he recorded with more than 50 orchestras including those of Paul Whiteman, Rudy Vallee, Freddie Rich, the Dorsey Brothers, Frankie Trumbauer, Glenn Miller, Chick Bullock, Gene Kardos, and Red Norvo. He really began to shine brightly in 1935 when he joined the Benny Goodman band. While with the Benny Goodman band “Bunny” recorded such pieces as King Porter Stomp, Blue Skies, Jingle Bells, Goodbye and Between the Devil and the Deep Blue Sea. Later as a member of the Tommy Dorsey band he recorded

such memorable sides as Marie, Song of India, Melody in F and Spring Song. His superb trumpet was a dynamic factor in the rise to fame of both the Goodman and Dorsey bands. He was a giant of the swing era and perhaps could even be credited with the introduction of that music to the world.

In 1936 “Bunny” set out on his own, his band making its debut at New York’s Pennsylvania Hotel in April. The Berigan star burst into full brilliance with the release of the monumental RCA Victor recording of I Can’t Get Started, an instantaneous hit.

By June of 1942 “Bunny’s” last note had sounded and the music world was shedding tears.

Everyone is welcome at this 3-Day

Jazz Festival honoring “Bunny” Berigan. It has been said that there are other Jazz Festivals in Wisconsin but “Fox Lake throws the best party”. Come and find out!

Fox Lake Firefighters 17th Annual Classic Car Show

A popular event, one that many people look forward to attending every summer, returns when the Fox Lake Firefighters 17th Annual Classic Car Show and Swap Meet takes place Saturday, July 28 at Fireman's Park, 246 East State Street in Fox Lake.

Gates open 7 a.m. rain or shine, welcoming all vehicles from all years. This includes cars, trucks, motorcycles and anything else you can drive or trailer through the gate. We have a class for anything you could possibly bring. Back again this year is the very successful car corral for a \$15 fee—a great way to sell your vehicle. Awards include world-class trophies, a free cash drawing for car entrants, a drawing just for the spectators, and dash plaques to the first 400 vehicles. Good food, car hops, beer, refreshments and ice cream are also available to keep you going all day long. T-shirts will also be available for purchase.

Judging is concourse style with \$10 at the gate for judged show vehicles and \$5 for show only/non-judged vehicles. Spectators are free. Only cars 20 years and older will be judged.

Things really start heating up with a wet and dry burnout competition starting around 1 p.m. and other surprises in the works

for the 2018 event. The Aquatic Center is also located on the show grounds, with many areas for kids and good music that translates to good times.

There's no experience quite like taking home one of our trophies from a great family-oriented atmosphere with great prices, great people and great fun. Experienced judges and staff with top-notch dedication will be on hand, as it should be. We are not like most of the other shows. This is a passion. We all look forward to welcoming you on Saturday, July 28.

For information regarding the 17th annual car show, contact Rich Quirk at (920) 319-2241 or e-mail him at flfd@foxfd.com. For information on vendors or swap spots and the car corral, contact Frank Sadler at (920) 210-2653 or e-mail him at smartgearhead@yahoo.com (no food vendors, please). On behalf of the Fox Lake Fire Department and all it's dedicated people and committee, we look forward to your visit.

All proceeds generated from this event are used to purchase needed equipment for the Fox Lake Fire Department. This is a non-profit organization, and this event is made possible strictly by generous sponsors and non-paid volunteers.

Fox Lake Flea Market

Now in its eleventh year, the Fox Lake Flea Market continues to grow. It is held Saturday mornings, April-October in downtown Fox Lake. With vendors selling everything from dollar items to antiques, both local and out-of-town customers look forward to seeing the flea market flag flying high along Hwy. 33. New vendors are always welcome. Vendor space is free. Call Don Taddey, (262) 353-1704, for further details.

Friends of the Lake Outing

The Fox Lake Preservation Organization invites special needs adults and chaperones to be their guests at Town Park, Blackhawk Trail, for pontoon boat tours and fishing excursions on Fox Lake. Snacks and beverages are provided. After several hours of fishing or touring the lake, the guests return to shore for a cook-out lunch. Held for 26 years, traditionally on the third Saturday in June, the Friends of the Lake Outing has become the popular social event for our friends from ARC of Dodge County and Bethesda Lutheran Home in Fox Lake. It takes many volunteers, pontoon boat captains and "first mates", cooks, servers and dockside attendants to make the outing a memorable experience for the guests. Cemetery Walk

Stroll to take place on July 7 in the original Waushara Cemetery, now part of the Riverside Memorial Park located at the North end of Center Street. Participants will be led through the cemetery in small groups. Cost is \$4.00 for adults and \$1.00 for Children.

Everyone is welcome to come and get a real taste of what it was like for these settlers to leave their homes, travel great distances by foot or ox cart and carve out a spot in a new territory. They met Native Americans that they could not talk to at first, and endured years of back-breaking work to create a better place for their families. These settlers have never before been honored at a Cemetery Walk.

Typhoid Fever struck Fox Lake in 1894. Anna Bloss, known as Annie by her family, died in 1894 of the fever. She had lived with her family on State Street in Fox Lake. John Miller lived in Fox Lake and went off to battle in the Civil War when he was a little over 30 years old. Come to the Cemetery walk and learn of his unit. Irene Root came to Fox Lake in 1841 with her family, she met F.O. Root and they were married. Come and hear the rest of Irene & F. O.'s story. Each and every ghost has a tale to tell.

This celebration is sponsored by the Fox Lake Chamber of Commerce with donations from local businesses and individuals and will be held on Saturday, July 7. A free Concert in the Park kicks off the evening at Riverside Park. MonRo will play from 6:30 p.m. until dusk. Food and refreshments will be served. Bring your family and friends, a lawn chair or a blanket. One of the area's best fireworks displays begins at dusk. Come by car or boat. The fireworks on the lake pack a double whammy as the fireworks explode in the sky and reflect on the water. Riverside Park and the public boat launch area at Riverside Park offer excellent viewing. The west and north shores of the lake also offer great viewing opportunities. Many people board boats and go out to the "small" lake to watch the show. When the fireworks end, stick around and watch the parade on the lake as all the lighted boats head for home. The alternate rain date for fireworks is Sunday, July 8.

13th Annual December to Remember

Fox Lake welcomes you to this celebration, held at the Fox Lake Community Center on Saturday, December 8, sponsored by the Fox Lake Chamber of Commerce. The event starts at noon and is free and open to the public. It includes fun activities such as hairstyling, cookie and cupcake decorating, ornament painting, a coloring contest and other activities. Visit Santa and his Christmas friends, and be sure to bring a camera. Adults can enjoy shopping, raffles, silent auctions, and delicious bake sale items. Lunch will be available for purchase. The parade of lights begins at 5 p.m. Line up is at the corner of Mill and State St. with parade ending at the Fox Lake Community Center. Following the parade, Santa will hand out candy to the children. Enjoy school band performances and local carolers spreading holiday cheer. The City of Fox Lake will provide a free dinner to the community. Bring a non-perishable food item for our food pantry. For more info, visit the Fox Lake Chamber of Commerce for schedule of events, to volunteer, or to submit float entries.

Education

SAGES

Located in Fox Lake, the School for Agricultural and Environmental Studies (SAGES) is a 4 year old Kindergarten through 6th grade public charter school. It offers an innovative educational program infused with agricultural and environmental science, SAGES has received recognition by the Wisconsin Department of Public Instruction through a "Significantly Exceeds Expectations" School Report card rating and being among the recipients for a Wisconsin School of Recognition award.

Offering a rigorous, standards-based curriculum that enhances the 21st century learner, our personalized learning methods include: questioning, off-school grounds learning, and project-based learning. Our hands-on approach allows students to learn through observation and problem solving by using the area's natural resources

as classrooms. Routine off-campus experiences include field trips to: the community garden, the school forest, Fox Lake, Marsh Haven, Mills Creek, and ventures to local businesses. Strong support and partnerships with local businesses and organizations have been integral in providing our learners with real-world experiences that positively impact our community.

With class sizes being no greater than 20, all students become part of the intimate SAGES community where our learners have the opportunity to grow academically, socially, and emotionally. Collaboration is done through multi-age classes and buddy class learning opportunities.

To schedule a tour, visit our school chickens, or for more information about SAGES and all its offerings, please call 920-928-3136. Also, feel free to find us on Facebook or at www.waupun.k12.wi.us/sages.

St. John's Evangelical Lutheran Church and School

St John's Lutheran School provides a Christ-centered education for children in 4 year old Kindergarten through 8th grade in a safe, caring environment. St. John's teaches children through strong academic programs using up-to-date and innovative methods, technology and materials. It provides a low student-to-teacher ratio. If you have any questions or are interested in our school, please contact Principal John Schlavensky at 920-928-3296.

A new Early Childhood Education program, called SonBEAMs will be coming soon. Parents and caregivers are invited to bring their child(ren) ages 2-4 to this free, 6-week event, beginning January 31, 2018. Each class will be held in the gymnasium at St. John's from 8:30 – 9:45 a.m. SonBeams stands for Bible stories,

Education, Active time, Music, and Social time. We will be diving into Bible stories, discovering new skills, and meeting new friends while preparing our little ones with fundamental skills necessary for school. Each SonBEAMS class will include a Bible story, free play in the gym, exercise time, and learning time. It is encouraged but not necessary to be able to attend each class. Drop-ins are welcome! Classes are free and younger siblings are welcome. If you would like more information, please call Donna Schmitz at 920-928-3296.

We would also love to have you join us for a church service, Bible class or Sunday School! Our church and school are part of the Wisconsin Evangelical Lutheran Synod. Please contact Pastor Nottling at 920-928-3250 or visit our website (www.stjohnsfoxlake.org) for any questions about our congregation or church services.

Fox Lake Public Library

Fox Lake is proud to have the Fox Lake Public Library located in the heart of the city. The Fox Lake Public Library is home to over 17,000 volumes and is a member of the library system MONARCH. Being a member allows the Fox Lake Public Library to borrow over a million holdings from several area libraries within 24 hours. The Fox Lake Public Library offers computers with high-speed Internet, current DVD's, and programming for people of all ages.

The Fox Lake Public Library now offers two historic newspapers that are no longer in publication digitized on their public computers. The Fox Lake Gazette for the years of 1858 to 1865 and The Fox Lake Representative for the years of 1866 to 2014 are now on newspapers.com and can be researched by individuals. Both newspapers are indexed and newspapers.com will lead one to the exact location in a paper with the option to make a print of just the item needed and send it to the printer within the library.

Fox Lake Public Library has three years to have internal use of the newspapers online. This means that anyone can access the newspapers on the

public computers in the library. There is a link from the desktop screen directly to the newspapers for researchers. There is no cost for this service.

Many pages have been digitized with over 1,000 of the Fox Lake Gazette from 1858 to 1865 and over 16,000 pages of The Fox Lake Representative from 1866 to 2014 when the newspaper ended.

The Fox Lake Public Library invites the public to stop in and use this new resource. It is wise to call and make an appointment for the use of one of the four public computers. Please call 920-928-3223 for an appointment or for more information. Library Hours of Operation: Mon.-Thur. 10am to 7pm, Fri. 10am to 5pm, Sat. 10am to 2pm.

Fox Lake offers many clubs and organizations to get involved with.

Sno-Blazers Snowmobile Club

The Fox Lake Sno-Blazers Club has been around since 1968. Over 45 miles of trails are groomed and maintained by volunteers from the club. The club's mission is to provide groomed trails and fun, safe activities. The club meets once a month from September through April. A schedule of events and meetings, membership information, and trail conditions can be found on their website at <http://foxlakesno-blazers.wix.com/fox-lake-sno-blazers#>.

Riding the trail system is a privilege, not a right. Please respect the landowners by staying on the marked trails. Maps are available at several area businesses. Always check that trails are open before heading out by phoning the Dodge County Hotline at (920) 386-3705. For more information e-mail foxlakesnoblazers@gmail.com.

American Legion Post 521 and Unit 521 Auxiliary

Fox Lake's American Legion Post 521 is named for Robert W. Ginther, a Navy Air Corps pilot who died while flying his plane off an aircraft carrier in the South Pacific. Post 521 currently has 160 members in its 2015 membership and is always looking for more. The Post spends much effort on supporting area active duty military members as well as local, state and national support for our veterans. The Post is always trying to raise monies to help with this worthy cause. The Post has a bar which is open to the public as well as veterans, and a hall available for use at a nominal charge. This hall is provided free of charge to non-profit groups and returning active duty military personnel. We invite you to come see our in-the-works remodeling projects and to enjoy the fun atmosphere and listen to, or maybe tell, some military stories to people who have been there also. Please stop by and visit us and our Military Veterans Memorial on State Street here in Fox Lake. Our contact number is (920) 928-2381 for more information.
